“Restoring Lives - One At A Time”

Volume 72 Issue 16– November 2018 —Moderator: David Ward, Treasurer: Suz Gagneur

Then Jesus went about all the cities and villages, teaching in their synagogues, preaching the gospel of the kingdom, and healing every sickness and every disease among the people. But when He saw the multitudes, He was moved with compassion for them, because they were weary and scattered, like sheep having no shepherd. Then He said to His disciples, “The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest.”

Matthew 9:35-38

Our annual meeting is behind us. Many thanks to Pleasant Heights for hosting us and to all who made it a great meeting.

Another year is upon us. I’m another year older as are all of you. Our world is changing right before our eyes. What used to be taboo in our society is now promoted as acceptable. We often wonder what is next.

Regardless of the circumstances, our perspective shouldn’t change. As the biblical text above teaches us, people around us need the Lord in their lives. That has been true in the past and it’s true now. People are hurting and like societies before us, there is “no new thing under the sun.”

What’s the answer? Simply put, we have the ONLY answer and His name is Jesus. Hold that thought momentarily and permit me to illustrate something with this story.

My wife and I recently went to see the symphony in Nashville. A very talented man was the featured violinist that evening. As I read the program, it said his violin was an original Stradivarius from 1715 worth millions of dollars! He performed with it brilliantly. Different style of course than Charlie Daniels but nonetheless a beautiful performance.

I reflected on how a great an instrument he had in his possess. But what if he never practiced with it? What if he never played it? What if he simply put it on a shelf and admired it from afar?

Yes, we have Jesus and His Gospel but what is His children never engage in using it as it is intended? Now more than ever people around us need the Gospel. No doubt the current climate is tough and filled with obstacles but the effort will be worth it and God has promised to be with us through it all.

We have chosen a new motto this year – ***Restoring Lives – One At A Time***. That’s a goal we can all work toward together. A neighbor, a loved one, a stranger, someone God puts on your heart – let’s put that Gospel to work with our prayers, our words, and our actions. Something to think about...

Blessings, Dale Ledbetter
